Parental Permission

At Sark School, we like to use our beautiful island to enhance our pupils' learning. This means we might walk, cycle or swim during the school day. We also like to take pictures to show off what we've been doing during the school day.

Before all of the above can take place, we need your permission so that we can take your child out of the school grounds, photograph them or make any recordings of them.

Please tick the correct box in answer to the questions below, then sign and date the form where shown and return the completed form to the school.

This consent form is valid indefinitely from the date you sign it.

We will not re-use any photographs or recordings a year after your child leaves this school. Historic photographs will remain on our school website.

We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image or video, on our website pro social media accounts, or in any of our other printed publications.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption.

If we name a pupil in the text, we will not use an individual photograph of that child to accompany the article.

We may include pictures of pupils and teachers that have been drawn by the pupils. We may also use group or class photographs or footage with very general labels, such as 'a science lesson' or 'sporting events.' We will only use images of pupils who are suitably dressed.
